(2) Not exceeding One Thousand Dollars for the arrest and conviction of any offender on the charge of assaulting any person having lawful charge, control, or custody of any mail matter with intent to rob, steal, or purloin such mail matter or any part thereof, or of robbing such person of such mail or any part thereof, and in violation of the provisions set forth in Section 197, Penal Code, above quoted, where the assault does not include the wounding of the person having custody of the mail, or the putting of his life in jeopardy by the use of a dangerous weapon.

(3) Not exceeding Two Hundred Dollars, and not less than Fifty Dollars, for the arrest and conviction of any person on the charge of breaking into a post office, or any building used in whole or in part as a post office, with intent to commit in such post office or part of said building used as a post office, any larceny or other depredation, or of stealing any money or property of the United States therefrom, or of robbing a postmaster or any employee of a post office of money or property of the United States: *Provided*, That in all cases wherein a safe in the post office is broken open \$200 will be paid. A post office station shall be regarded as coming within the meaning of the term post office as used in this section.

(4) Not exceeding Two Hundred Dollars, and not less than Fifty Dollars, for the arrest and conviction of any person on the charge of stealing mail matter or any valuable thing contained therein, while being conveyed over any post route, or while in the custody of any mail messenger, or being conveyed to or from any railroad depot, or of robbing or stealing from the mail while it remains at any railroad depot awaiting transfer.

(7) For the arrest and conviction of any person as accessory to any of the offenses above mentioned, or for receiving any money or property stolen from a post office, or from the station of a post office, or otherwise, as provided in this Notice of Reward, the same reward will be paid as for the arrest and conviction of the principal offender.

(8) The above rewards may be payable to any postal employee, except a post office inspector, or to any other person.

(9) The Post Office Department reserves the right to refuse payment of any claim for reward when in its opinion there has been collusion, or when improper methods have been used to effect an arrest or to secure a conviction; and it also reserves the right to allow only one reward where several persons have been convicted of the same offense, or where one person has been convicted of several offenses, unless the circumstances in its judgment entitles the claimant to a reward for each conviction.

(10) All allowances made under the terms of this Notice of Reward will be determined according to the circumstances surrounding the particular case, and in making them the importance and value of the services performed, the character of the person arrested and convicted, the time consumed, expenses incurred, and the efforts put forth will govern.

(11) When an offender is killed in the act of committing any of the crimes enumerated herein, or in resisting lawful arrest therefor, the same reward may be paid as though he had been tried and convicted.

(12) When a person has been convicted for committing any offense enumerated herein a reward may be paid, even though such person when arrested was charged with committing an offense not so enumerated.

(13) Application for reward should be made to the Chief Post Office Inspector, Washington, D. C., and payment will be made upon presentation of satisfactory documentary evidence, subject to the necessary appropriation, as aforesaid; but a claim will not be considered unless presented within three months from the date of the conviction of an offender, or within three months from the date of his death, if he was killed in the act of committing the crime or in resisting lawful arrest therefor.

(14) In order that all claimants for reward may have an opportunity to present their claims within the prescribed time limit, the Department will not take final action until expiration of three months from the date of conviction of an offender, or within three months from the date of his death, if he was killed in the act of committing the crime or in resisting lawful arrest therefor.

(15) All previous offers of reward are hereby rescinded except as they may apply to cases in which arrests were made prior to July 1, 1924.

To aid identification—back of seat under forward end of turtle back had painted black when work box was put on car, as this is not painted on new cars from the factory. Hardmon took off work box and replaced turtleback before taking the car.

Hardmon (or Harmon) is described as 29 years old; over 6 feet tall; has blue eyes and light hair combed pompadour when he left. He has a very courteous and affable manner; full, resonant, well modulated voice; is not a very rapid talker; employs unusually good language and could pass for a time as a man of some character. Smokes cigars and a dark, curved stem pipe a great deal using "prince". Prince Albert or Velvet tobacco; sometimes chews Piper Heidsieck plug. Claims to have done newspaper work and many other things, but is not proficient in anything except acquiring other people's property. Is a native of Kansas, where his father has a farm or ranch; and has covered considerable territory between Chicago, Texas and the west.

When he left here was accompanied by his wife, Frances, and male child born last January, in Mt. Zion Hospital, San Francisco. Wife is 23 years old, light build, blue eyes, light hair—short but not bobbed when they left. She is of Norwegian parentage, which shows in her features; maiden name Frances Erickson, former home Scandia, Kansas. Has clerical in dry goods and women's apparel stores. Baby has blue eyes, light hair, slightly resembles his father and has ring worm or eczema on one cheek.

It may be possible that Hall will endeavor to compel his wife to live in a house of ill-fame, as well as harm his child. It is my understanding that Mrs. Hall is now pregnant and her husband may possibly take her to a physician to have an abortion performed.

He is wanted by this department for a violation of probation. Will you kindly have your officers make a search for him and, if he is found, advise me immediately, so that I may take the matter up and have him returned to this city.

Mr. J. C. Nicoll,
Special Agent in Charge,
San Francisco, Calif.

Dear Sir:

Money Orders - #2368917 \$50.00 and #2368918
\$25.00. Arthur L. Wallace.

Chief of Police J. C. Nicoll, Council Bluffs, Iowa, holds warrant for Paul Johnson and Gerald Jorgensen, two young boys between the ages of 16 and 18 years. On the 8th of August these boys stole an auto delivery truck containing a number of grocery orders for delivery. They also got possession of the two above Money Orders.

One of these Money Orders, No. #2368917 in favor of Arthur L. Wallace in the sum of \$50.00 was cashed by Paul Johnson, he forging the name of Arthur L. Wallace as the first endorser, Johnson being the second endorser, at the State Savings Bank, Council Bluffs. These Money Orders were issued at San Francisco by George L. Martin, sub-agent, on July 31st, 1923. Money Order No. #2368918 was cashed in Los Angeles August 14th, Arthur L. Wallace's name being forged.

The truck which was stolen by these two boys was found in Nebraska about 70 miles from Omaha along the Union Pacific right of way.

It is our opinion that these two boys are still somewhere in California. It is possible that they have enlisted in the army, and I would be pleased for you to make every effort possible to pick them up. Their description is as follows:

Paul Johnson: 18 years of age, about 5 ft. 8 in. tall, weight 125 lbs., slender, red hair, brown eyes, round full face, very freckled. Very quiet in his conversation.

Gerald Jorgensen: He may be going under the name of Wiley. About the same size as Johnson, has light hair, age about 17 years, face covered with pimples.

If you succeed in picking these boys up wire me, and Chief of Police, Mr. Nicoll, will send a man to return them to Iowa.

Yours truly,

The cashier and assistant cashier of the Republic State Bank, in Republic, Marquette County, Michigan, were held up and robbed by a lone bandit, Wednesday afternoon, September 19th, 1923, who took ten thousand two hundred dollars in currency, in the following denominations: *\$10,200 Rev. Bank robbery*

Seven hundred dollars in one dollar bills;
Balance in five, ten and twenty dollar bills.

Description of bandit: Age, 25 to 30 years; height, about 5 ft. 8 in.; complexion, medium dark; had a dark mustache, which may have been false; nationality, American; speaks English very readily and easily.

The bank robber left Republic immediately after the robbery, driving a Chevrolet roadster, damaging his right front light in a collision with another car going towards Iron Mountain, Michigan.

We have reason to believe that the suspect was using two sets of license plates,—Michigan for one, and the second for either Wisconsin or Ohio.

The Southern Surety Company, of Petoskey, Mich., is offering a liberal reward for the conviction of the robber and recovery of the money.

Make careful inquiry at all garages concerning a broken right front light on car of above description and careful investigations of persons arrested and wire, collect, all information to:

W. M. LEE, Alias WILLIAM LEE, Alias WALTER LEE, Alias WILLIAM UNDERWOOD, Alias
C. J. CLARK

ONE HUNDRED DOLLARS REWARD

We will pay \$50 for arrest of this man and \$50 for recovery of Nash automobile described below.

W. M. Lee, as he was known in Dallas, was formerly connected with firm of appraisers. His specialty seems to have been in making appraisals of oil properties. On August 8, 1923, he left Dallas with Nash Sport Model Touring Car, deserting his wife in Dallas, and has since successfully avoided apprehension. Lee is about 55 years of age; weighs around 190 or 200 pounds; complexion ruddy; eyes blue; hair brown, inclined to be somewhat curly, turning gray; bald in front; occasionally wears glasses; slight scar on side of nose, and has some faint powder marks (small spots) in face, not very noticeable. Supposed to have had in his possession about \$50,000 worth of First Gold Mortgage Bonds of Mouse River Valley Corporation. Supposed to be accompanied by young woman about 30 years of age named "Susan" and traveling as his wife. His wife in Dallas by name of "Grace," and investigation would indicate possibly has wife and children in Kansas under another name. During August and September in Colorado and Missouri these people were also accompanied by another young woman giving the name of Collette Kelly, presumably sister of woman "Susan" and supposed to be from Chicago.

The pictures shown above are all very good likenesses. The five grouped around table are somewhat old, but the insert is a late picture, as is also the picture on the left. Lee usually stops at the better class of hotels and apartment houses, dresses well and when last seen in Kansas City the early part of October was wearing heavy brown overcoat with fancy lining and suit containing small brown and black checks and was carrying a cane.

The car is the regular 1923 Sport Model 4-Passenger Nash, maroon body, black fenders, disc wheels, with extra wheels mounted on either side, bumpers front and rear, trunk on back, glass wings, etc. When the car left Dallas it was carrying Texas License Tag No. 654,242. This has probably been changed. The Motor Number is 130,968, and the Serial Number 250,475. We will appreciate if you will give this description to your local dealer and service stations.

Write us direct at our expense any information concerning either man or car, or take up with Sheriff Dan Harston, Dallas, who holds a felony warrant for Lee.

Arrest for Obtaining Money Under False Pretense

Cre #1 997 350 Reward

DOCTOR L. M. PIERES

DESCRIPTION OF DOCTOR

Is a tall slender built man, height perhaps 5 feet 11 inches.
Age about 40 years
Height about 170 pounds
Hair, black
Is a very neat dresser. Wore brown suit of clothes and had on a nice pair of red shoes. Also wore Masonic emblem in his coat lapel.
Wore colored glasses. Wore hat.

DESCRIPTION OF OPTICIAN

Height about 5 feet 7 inches
Age, about 26 years
Hair, light
Wore a tan overcoat, also a hat and was wearing black shoes.

On the date of November 27, 1923, these two men visited the home of Mrs. Laverne White, near St. Helena. One represented himself to be an optician and wanted to fit Mrs. White with glasses. She consented to an examination of her eyes and he upon doing so expressed the opinion that she should have a doctor examine her eyes as one of which was affected by a cataract growth which should be removed. The optician thereupon presented the other man, Dr. L. M. Pieres, who represented himself to be an eye surgeon.

Upon examination of the eye the doctor said she should undergo an operation at once and the growth be removed. After some talk over the matter they agreed to the operation which was a fake performance, with a written guarantee that the same would be a success; if not at the end of thirty days they would refund the money charged for the operation.

The price set for the operation was set at \$900, and to this Mrs. White objected. Finally after some consideration she agreed to pay \$700, which she secured and paid over to them.

These parties have operated in a like manner in several counties throughout the state. On the day of the White operation, they were traveling in a Buick Six automobile, touring through the counties of Nevada, California and each carried a square black medical case containing instruments.

They are claimed to have come from San Francisco and also to be connected with the Portland, Ore. Hospital. They also talked freely about Los Angeles and of a Denver, Colorado, hospital.

\$50.00 reward will be paid for any information that will lead to the arrest and conviction of these men. I hold felony warrant.

Wire all information at my expense.

CIRCULAR NO. 155

TO ALL POLICE DEPARTMENTS, SHERIFF'S OFFICERS AND PEACE OFFICERS
THROUGHOUT THE UNITED STATES:

I hold warrant charging MANSLAUGHTER, a felony, for one
LEONARD G. SANDERS, whose photograph is attached to this circular.
He is 37 years old, 5'11" tall, weighs 150 lbs., has blue eyes,
black hair, long slim face, protruding ears and speaks with a
slight English accent. When last seen wore a grey suit of clothes
and a brown soft hat.

He is a cook and restaurant man by occupation and has been
running a restaurant in Monrovia, California, and will probably
correspond with his wife who still lives in Monrovia. Has frequen-
ly worked as cook for the Harvey System under the name of Jack
Scott, also traveled with the Molly Bailey Circus as a cook under
the same name. Worked at the Hotel American, Minneapolis, Minn.
and at the City Pleasure Park in Wichita Falls, Texas, a number of
years ago, and, I understand, used the name of Jack Scott or L. G.
Scott in each place. His mother, Ellen Sanders, lives in
Manchester, England, and he will probably correspond with her.

He was heard of in El Paso, Texas, about December 5, 1923,
at which time he told his wife he was going to try to get to
England and would communicate with her under the name of J. D.
Gibberich. He had very little money and will either endeavor to
go as a stow-away or work his way on some vessel unless his mother
sends him enough to pay the voyage.

On December 1, 1923, Sanders ran over and killed Mrs. Mary
Wiley and her daughter, Jessie Wiley. He was driving at an es-
timated speed of 60 miles an hour and did not stop and render
assistance and immediately fled the vicinity. A warrant charging
MANSLAUGHTER, a felony, was sworn to by Arthur C. Hansell and is
now on file at this office.

If located, arrest, hold and wire and we will extradite him
from anywhere. A reward of \$100.00 is offered by a son of Mrs.
Mary Wiley for his arrest and delivery to an officer of this de-
partment.

Reward circular for this man was issued by General Manager W. W. Owens under date of December 12th, 1923.

Please notify all police and peace officers that this party left Petersburg, Virginia, Thursday March 13th in a Buick touring car, 1922 model carrying Pennsylvania or North Carolina license.

Information is greatly desired by the distracted Mother of this unfortunate girl, who left her home near Trade Lake, Wisconsin, on or about December 14, 1923 with a man who had recently married her aunt and who called himself Dr. Robert C. Frank, formerly of San Francisco. Dr. Frank posed as a man of wealth and planned to take this girl, his niece by marriage, and all of her family to Albuquerque, New Mexico. He issued a number of worthless checks on Wells Fargo Nevada National Bank of San Francisco. He left St. Paul, Minnesota, with Marion Christopher, December 14 for Albuquerque via C. R. I. & P. Ry. and nothing has been heard directly from them since excepting a postal card dated December 15 from Dr. Frank at Kansas City. Word has been received from C. R. I. & P. Passenger Agent, St. Paul, that they boarded the A. T. & S. F. train No. 3 at Kansas City, December 15 with tickets to Albuquerque. Information has been lodged with the United States District Attorney for Dr. Frank's apprehension under the Mann Act. Reward of \$400 for reliable information as to present whereabouts of girl has been offered by her parents who are farmer folk of small means.

NOT GOOD AFTER JANUARY 1ST, 1925

BUREAU OF IDENTIFICATION
Police Dept., Pasadena, Cal.

Circular No. 159

January 31, 1924.

During the past three months a burglar who works between a rule steals nothing but has been seen on one or two occasions in the following places: Arc 38 to 40, Height 5'11", leather puttees, cap, brown

city has been visited by 2:00 and 5:00 A.M., and 11 pieces of jewelry. He is described as follows: wearing khaki trousers, red coat.

He usually enters through the front door or front window leading from a front porch. Generally enters the bedroom of the sleeping occupants and searches for money and jewelry. In nearly every instance where it has been possible to see any footprints, there has been barefoot or in his stocking feet and from the side of the marks must wear about a number eight shoe. If he cannot find an open window or a door unlocked, he will use a wire to unlock the screen and has never used a jimmy.

From investigations made by this department, we are almost sure that this man is one PAT MURPHY, San Quentin #32763, who was sent to the penitentiary June 8th, 1919, and was described then as follows: Arc 38, Height 5'8 1/2", Weight 153 lbs, hair brown and graying, eyes blue, complexion fair, Nationality Irish, Gardener by occupation.

Murphy came to Southern California from San Francisco about November 25, 1923, and was accompanied by a young man named Freeman who is now in the Los Angeles County Jail for assisting Murphy in a burglary job. They drove to Gonzales in a Ford car which broke down but was repaired at a garage in Gonzales and we find that Murphy returned and claimed the car and started south again. The car had a 1923 License #739-462 and was a Ford Touring car. So far as we can learn, he has not taken out 1924 licenses for it, but may have changed the 1923 license for some which he stole.

He hangs out around hobo camps and gets up in the middle of the night and starts his burglary work.

I am attaching a photograph of Murphy, the ex-convict, which I understand is a good likeness except that it shows a mustache which he does not wear at the present time.

We hold warrant for Murphy charging burglary committed in this city in the latter part of 1923. If located, arrest, hold and wire, and I will send an officer with papers necessary for his return to this city.

Very respectfully,

CHARLES H. KELLEY
Chief of Police.

In a recent interview in jail at Spokane, Lang admitted the theft and transportation of three cars early in 1923, from Washington, D. C., to Philadelphia, Pa., Richmond, Va., and Wheeling, W. Mr. B. McShane,

Dear Sir:-

At 2:20 PM, March 31st, 1924, two men held up our station Agent at Yuba City, Sutter County, California, taking from him approximately \$300.00 in currency.

Description of man who actually did holding up:

AGE: 30 years
HEIGHT: 6 feet
WEIGHT: 180 lbs.
COMPLEXION: Dark
REMARKS: Well dressed, wore dark brown suit of clothes. Mark of an old healed scar over right eye about one inch long. Wore a cap at time of hold up changing to a hat after making getaway. Carried a .32 automatic.

The second man in hold up remained in automobile and best description available at this time is that he is a stout man.

The hold up men came there in a Buick Roadster, dark blue color, with two spare tires on rear, setting out about two feet from rear of car and license plate sets in center of tires and in line with tire nearest the body of car. The automobile appeared to be in exceptionally good condition, about a 1919 or 1920 model. Car had top up and curtains on one side.

The hold up man stated to Agent at time of hold up "you remain here for ten minutes as I have a man on outside watching you".

A check by Sheriff Manford of Sutter County and our Special Agent Moore of Sacramento, shows car in question left Yuba City by way of Knights Landing and first seen twelve miles south of Yuba City by a man named Bannon, proprietor of a Grocery Store at Bannon's corner, about 3 o'clock the day of hold up. They were next seen by a Foreman of a H&B Gang at Coyle, near Woodland, about 4:00 PM. same date traveling very fast, coming west. They

were next seen by a Deputy Sheriff at Cordelia who was inspecting all automobiles on account of hoof and mouth disease and were stopped by him at 7:00 PM. They were next seen by an Officer of the Santa Barbara, Calif. d the March 4th, 1924.

Dear Sir:

The following is a copy of a letter received from the San Antonio, Texas, Office of the Department of Justice under date of Mar. 29, 1924:

This office is very anxious to bring about the apprehension of alter J. McCoy alias Jack A. Thornton alias Carl H. Garner, alias John Devries, alias Herbert J. Devries, alias Chester C. Bentley, alias Byron J. Stabrooks and Martin J. Dalton, who is described as about 40 years of age; five feet nine inches; one hundred fifty pounds; brown hair streaked with red; blue eyes; fair complexion, on a charge of impersonating an Internal Revenue Agent, the offense being committed here on or about February 29, 1924.

Subject's mother, Mrs. Bora McCoy, resides at 2168 Clinton Avenue, Cincinnati, O., a brother, Raymond McCoy, an attorney resides at Cincinnati, O., a sister, Mrs. Frank Hickey, Cincinnati, O., another sister "Helen" who is known as Sister Teresa in the Ursuline Convent, St. Martin, O., a cousin, Mrs. A. A. Bullane, 940 Rush Street, Chicago, Ill.

McCoy was a First Lieutenant in the United States Army assigned to the Third Cavalry during the war.

About February 23, McCoy passed worthless check on the Mulligan Music Shops, Inc., of Chicago, at El Paso, Texas. On the 29th of February, 1924, McCoy induced one Wallace Steele, associated with the Planters and Merchants Mills of San Antonio, Texas, to endorse check on the Mulligan Music Shops, of Chicago, through his representation to Mr. Steele that he was an agent of the Internal Revenue. This check was returned as fraudulent.

About March 4 at New Orleans McCoy induced Jack A. Thornton of the Planters and Merchants Mills of San Antonio to endorse a check on the Mulligan Music Shops as well as personal checks on a Chicago Bank, which were worthless, Thornton advising that had he not believed subject was an Internal Revenue Agent would not have endorsed these checks. While with Thornton at New Orleans, McCoy stole from Thornton an ink receipt book and Letter of Credit from the City National Bank of San Antonio, both of which bore Thornton's signature.

On March 4 McCoy dodged Thornton at New Orleans, went to the Jefferson Hotel where he passed another check forging the name of Jack A. Thornton.

On March 7 McCoy cashed a check on the City National Bank

Dear Sir:

JAMES L. EDWARDS

Noting the enclosed newspaper clipping, permit me to give some information that may be of value to you:

For a long period of time we have had many robberies in this County, most of these being of petting parties; one murder, at least, was committed by the bandit who committed these robberies. About two months ago my deputies discovered the identity of the criminal; a trap was set, and a gun battle between the criminal and my men took place, but the criminal escaped. I thought, however, he might have been hit.

My informant stated that if he had not been hurt he would go North; that the suspect had murdered a Sacramento Police Officer (Note my letter to you dated May 28th, 1924, in re JAMES L. EDWARDS). The informant may be mistaken about the victim being a Police Officer, but he is sure this subject killed someone near or in Sacramento. My informant is very close to the criminal and everything he told me has been verified.

The criminal is J. BLAND, alias J. Boyle, Alias J. L. Edwards, San Jose No. 463; San Quentin No. 29190; age 43; height 5' 7 1/2"; weight 155; hair black; complexion dark. His real name, I think, is J. Bromley, and he has relative named Tom Bromley living at Napa, California. This man corresponds with Edwards under his various names; Tom Bromley always places his name and address for return on his letters. On February 5, 1924, he was shot in right arm by citizen and arm has been in bad shape and requires medical attention, and he will try and secure the services of a doctor, using some pretext so that the doctor will be misled and not notify police.

I hold felony warrant for Edwards for Assault to Murder, and can also convict him of robbery and perhaps of murder. I think that he is near or in Sacramento, and that he is pulling jobs.

Please check your postoffice under all his names, hotels and rooming houses. He may buy an automobile, as I have his last one, which he abandoned in the fight between himself and my deputies. Check second-hand automobile dealers, especially those handling Dodge cars.

This subject is a crack shot, always armed, and will shoot the moment he knows that he is to be arrested. In confidence He knows Harry Dunlap, and his line of work is about the same; the last few robberies here he wore a silk hat and red handkerchief for mas

About two months ago my deputies discovered the identity of the criminal; a trap was set, and a gun battle between the criminal and my men took place, but the criminal escaped. I thought, however, he might have been hit.

My informant stated that if he had not been hurt he would go North; that the suspect had murdered a Sacramento Police Officer (Note my letter to you dated May 28th, 1924, in re JAMES L. EDWARDS). The informant may be mistaken about the victim being a Police Officer, but he is sure this subject killed someone near or in Sacramento. My informant is very close to the criminal and everything he told me has been verified.

The criminal is J. BLAND, alias J. Boyle, Alias J. L. Edwards, San Jose No. 463; San Quentin No. 29190; age 43; height 5' 7 3/4"; weight 155; hair black; complexion dark. His real name, I think, is J. Bromley, and he has relatives named Tom Bromley living at Napa, California. This man corresponds with Edwards under his various names; Tom Bromley always places his name and address for return on his letters. On February 5, 1924, he was shot in right arm by citizen and arm has been in bad shape and requires medical attention, and he will try and secure the services of a doctor, using some pretext so that the doctor will be misled and not notify police.

I hold felony warrant for Edwards for Assault to Murder, and can also convict him of robbery and perhaps of murder. I think that he is near or in Sacramento, and that he is pulling jobs.

Please check your postoffice under all his names, hotels and rooming houses. He may buy an automobile, as I have his last one, which he abandoned in the fight between himself and my deputies. Check second-hand automobile dealers, especially those handling Dodge cars.

This subject is a crack shot, always armed, and will shoot the moment he knows that he is to be arrested. In confidence He knows Harry Dunlap, and his line of work is about the same; the last few robberies here he wore a silk hat and red handkerchief for mask.

Enclosed find picture which is a good likeness.

Make every effort to arrest.

Thanking you in advance, I am

Yours very truly,

M. O.:

These two men managed to convince a rancher in this county that he needed an operation performed on his eye, and that very badly. To allay any suspicions that the rancher had in regards to the veracity of their statements, produced elaborate cases filled with shining instruments, and lightly intimated that the operation ought to be performed by a specialist in Los Angeles. Dr. Price, alias many, finally agreed upon the solicitations of J.A. Williams and the rancher who was badly scared by that time, to perform the operation. Before proceeding with same, Dr. Price, who had represented himself to be an Eye-Ear-Nose-Throat and Cancer Specialist, affiliated with a Hospital in San Francisco, made the rancher promise, not to tell anyone about the operation, as he stood in danger of being expelled from the hospital, by doing so. J. A. Williams, claimed to be an Occulist and life long friend of Price. Dr. Price removed a filmy substance from the ranchers eye, massaged the eye with a rounded glass stick, collected a Fee of \$ 300.00 and with Williams departed for parts unknown. These men have operated according to information received here, in all parts of this state, usually selecting for their victims elderly people, who reside in the country and are obliged to wear glasses. Both men travel in a Buick Roadster, sport model, painted blue, License No. 523-337, which is registered to one Jerold Fleming, Riverside, Calif. Fleming is a fictitious person.
